ABHAY SHARMA

PERSONA SNAPSHOT

Name: Abhay Sharma
Age: 22
Gender: Male
Location: Banglore , India
Occupation: Software Engineer trainee

BACKGROUND

Abhay Sharma is a 22-year-old entry-level software trainee working at MountBlue. With a limited monthly income, he spends most of his time at home after work. He primarily uses Instagram as a source of entertainment, relaxation, and motivation, especially to follow fitness influencers and improve his lifestyle.

BEHAVIOR

- Uses Instagram mostly during free time and late nights
- Scrolls reels continuously (high consumption, low creation)
- Rarely posts, mostly consumes content
- Follows fitness pages, influencers, and motivational creators
- Occasionally likes, saves, or shares posts

GOALS

- Reduce boredom and relax after work
- Consume entertaining content (reels, memes, short videos)
- Follow fitness influencers for body-building motivation
- Stay updated with trends and social circles

TECH / ENVIRONMENT

- Device: Android smartphone
- Internet: Mobile data / Wi-Fi
- Usage Time: 2-4 hours daily
- Environment: Home, hostel, or office breaks

PAIN POINTS

- Limited budget restricts outdoor activities and socializing
- Spends excessive time scrolling without productivity
- Difficulty finding truly useful or motivating content
- Feels comparison pressure from seeing others’ lifestyles

MOTIVATIONS & NEEDS

- Needs quick and engaging content to escape boredom
- Seeks motivation for fitness and self-improvement
- Wants relatable and realistic content (n

- Needs a balance between entertainment and productivity
- Looks for content that adds value (learning, motivation, inspiration)
